19th February 2020

Dear Parents/Caregivers

Clean Up Australia Day

Clean Up Australia Day is one of Australia's largest community based environmental events. Thirty years ago, an "average Australian bloke", sailor Ian Kiernan, was shocked by the amount of pollution and rubbish he encountered in the oceans of the world. Starting with a simple event that began in his own backyard, he has inspired and empowered communities all over Australia to clean up, fix up and conserve our environment.

Kurmond Public School will be hosting their own Clean Up Australia Day event on **Friday 28th February**. Students will be going into areas of our school in order to help do their bit to clean up and sustain our environment for the future.

Students are encouraged to ensure they **pack** their **hats** and **water bottles** on the day. They may also **bring gloves** to wear if desired.

Kind regards.

Rebecca Edwards
