PREPARATION

Before and at the commencement of the Bush Fire Danger Period, we will:

- Review and update the school’s Emergency Management Plan that includes this Bushfire Management Plan. (Update ICE with reviewed documents).
- Liaise with emergency service agencies about emergency procedures and vegetation management in the vicinity of the school and any other issues that are appropriate.
- Communicate the school’s bushfire preparedness arrangements (the Bushfire Plan) with school staff including their responsibilities at a staff meeting early September.
- Communicate the school’s bushfire preparedness arrangements with the school and student community e.g. school newsletter or intranet.
- Communicate the school’s bushfire preparedness arrangements with community users
- Review school’s set-up for local notification system i.e. enews messaging process and Facebook and/or school website updates to communicate during emergency situation to parents (includes communication regarding short-term immediate ceasing operations or ceasing operations next day).
- Review staff completion of the e-safety Bush Fire module early September or by (End of Term 3).
- Test and verify fire protection systems (fire hydrants, evacuation alarms, fire extinguishers)
- Check emergency equipment and first aid resources are available and operational (battery radio, mobile telephone)
- Consult with the NSW RFS regarding our bush fire arrangements evacuation and a shelter in place option
- Provide updated Principal and Executive contact details including a mobile number for emergency contact after school hours to local Emergency Services and Police.
- Conduct practice fire evacuation drills
- Have firebreaks maintained and garden rubbish, native shrubs and tree branches kept well clear of buildings
- Arrange contractors to clear gutters of dry leaves and other debris around the site
- Lock away flammable items e.g. door mats and garbage skips
- Liaise with Schools Infrastructure regarding Asset Protection zones
- Contact off-site refuge (where applicable) i.e. school, community facilities for notification of potential use during a bushfire emergency
During the bushfire season including during periods of increased fire danger we will monitor information sources for bushfire conditions by:

- Listening to the local radio station, TV and/or monitoring the NSW Rural Fire Service website at www.rfs.nsw.gov.au for information on bush fire activity or fire danger ratings.
- Knowing the Fire Danger Ratings for the area
- Staying alert for warnings such as Bush Fire Alert Levels issued by the RFS
- Watching for signs of fire, especially smoke or the smell of smoke
- Calling the RFS Bush fire Information Line on 1800 NSW RFS (1800 679 737)
- Contacting the HS Directorate on 1800 811 523
- Downloading the free IPhone application from NSW Rural Fire Service – Fires Near Me NSW.
SHELTERING PROCEDURES

Evaluation of the safety of employees and occupants has determined that it would be safer for ALL persons to shelter at a designated refuge. The following is the designated refuge allocated within the premises.

Designated refuge: School Library (See attached plan J Block)

The building contains a sink with toilet and access to road and carpark.

RESPONSE PROCEDURES FOR CATASTROPHIC FIRE DANGER RATING

Procedures in the event a Catastrophic Fire Danger Rating (FDR) is issued

During the Bush Fire Season, Fire Danger Ratings (FDR) are issued by the Bureau of Meteorology each afternoon for the following day within a specific NSW Fire Area. A FDR provides an indication of the consequence of a fire, if a fire was to start. The rating is based on predicted weather conditions, including forecast temperature, dryness, humidity and wind. Kurmond PS is on the Department’s Bush Fire Register and hence is required to close on days when a Catastrophic FDR is issued in this NSW Fire Area.

Emergency evacuation and shelter in place map

Kurmond Public School
Emergency Evacuation Map

Evacuation Area

J Block – Library
Shelter in place location
Sustained, continuous siren
The Principal (or delegate) is to ring the emergency evacuation bell.

CLASSROOM PROCEDURE

- Lessons are to stop immediately.
- The teacher directs the children to promptly line up at the door in their ‘roll call’ order.
- The teacher obtains the class roll if it has not been collected.
- The teacher counts the class line.
- The teacher directs the students out of the class in an orderly manner. No items are to be taken.
- The teacher turns off the lights and closes the door as the last member of the line.
- The students wait outside the classroom for the teacher to take the head of the line.
- The teacher leads the class via the shortest and safest route to the designated evacuation area.

OUT OF CLASSROOM PROCEDURE

- If small group activities with parents are taking place outside of the classroom, parents are to take the group to the classroom’s Emergency Evacuation Point in the designated evacuation area.
- Any child that is not inside their room or with a group at the time the emergency bell rings is to independently move directly to the classroom's Emergency Evacuation Point in the designated evacuation area.
- If the emergency bell rings during outside eating or play time, the teachers on duty are to direct all students to the evacuation area and assemble them in class lines.
- If the emergency bell rings during fitness or sport, the teacher leads the group they are currently supervising directly to the evacuation area and assembles them in class lines.

PROCEDURE FOR ADDITIONAL ON-SITE INDIVIDUALS

- Office staff are to evacuate to the outside of the Administration building and then proceed to the evacuation area, taking all class rolls with them. The visitor’s book should be referred to.
- The School Administrative Manager will collect a First Aid Kit and any Student Emergency Kits.
- Teachers on release, specialist staff off class, cleaners, General Assistants and visitors are to all evacuate to the designated evacuation area.
- Canteen staff are to turn off any cooking appliances/devices and evacuate to the designated evacuation area.
- The Principal is to check the Administration building & the toilet block before proceeding to the designated evacuation area.

EVACUATION POINT PROCEDURE

- Classes are to line up in the centre of the designated area in K-6 class order.
- Office staff distribute the class rolls to each classroom teacher.
- Each teacher calls their roll and ensures all children are present.
- Infants and Primary Teachers inform their relevant Assistant Principal of roll status.
- Assistant Principals inform the Principal of the roll status. Additionally, the Principal is to check the presence of all administration staff, canteen staff, specialist staff and visitors. If any student or adult is unaccounted for, only the principal (or delegate if Principal is not on site) can determine the course of action.
- All individuals are to remain at the evacuation point until given further instructions by the Principal.

NOTE: The evacuation of any children with disabilities or special needs will be the responsibility of the class teacher and the SLSO is to assist if present.

BUSHFIRE EVACUATION AND SHELTER IN PLACE

- Announce to evacuate to Shelter in place – in library (J Block)
- Students, staff, visitors and contractors move to shelter in place location (Library). Evacuation will take place from the Library under the direction of the emergency services.
- Conduct roll call of students, staff, visitors and contractors at school site assembly area.
