Kurmond Public School Uniform Policy

Kurmond Public School seeks to constantly provide high standards of education, self-esteem and safety for all its students. As decided by Parents & Citizens and Staff members, the wearing of uniform is integral to providing and maintaining these standards.

It is the intention of the school community that every student will be able to wear the correct school uniform at all times. Many community judgments are based on appearance and we urge parents to assist in creating and maintaining the highest possible impression of Kurmond Public School.
