Dear Parent and Caregivers,

It is Term 3 already and our Year 6 students are moving towards the beginning of a new learning stage. We all want to be sure that the progression to high school is positive for all students. Colo High School is running a Transition Lesson Day for Year 6 students as part of the transition process. This day will give students the chance to experience some of our incredible subject-specific facilities in real lessons with Colo teachers. The variety of activities will help students better understand some of the new demands of high school. It is also a day to encourage them to reflect on their responses to these experiences.

As a Year 6 student, we would like to invite your child to one of these days. Details are provided below.

WHERE: Colo High School, Bells Line of Road. **Please meet in the Bus Bay at the front of the school**

DATE: Monday 12th August 2019

TIME: 8:45 am – 2:00 pm

COST: \$NIL but lots of enthusiasm!
