Dear Parents

K-6 Moving Bodies Gymnastics Program

Starting Tuesday 20th October students will be participating in a five-week gymnastics skills program each Tuesday until 17th November. The program is funded by a Sporting Schools grant which Kurmond PS successfully applied for providing our students with the opportunity to receive skills in specific sports delivered by qualified instructors. There is no cost to families.

Students are required to wear their sports uniforms each Tuesday for Term 4.

It is important that teachers are aware of any medical conditions that may need to be taken into account when working with the students.

Please complete the attached permission note and indicate in the space below if your child has any medical conditions or has had a recent injury that may require adjustment for them.

Regards.
